Communion Training: Communion instruction is ideally presented to 6th grade students. These classes need to be taken if you did not attend in 6th grade. It is very important to make every effort to attend each class and be faithful in preparing for the interview after the class on the 10th.

November 17—First Communion - Following the service, a reception will be in the lobby with cake.

What is a Learning Event?

This includes all confirmands, mentors, and parents. This is where the confirmands receive instruction to prepare them for life as a Christian from Luther's Large Catechism.

What is Fellowship Night?

Each fellowship night will take place at St. Mark's. Fellowship times offer a special time outside of the learning events to get to know one another and have fun!
